Dear Sir:

REQUEST FOR RECONSIDERATION

The Paper is submitted responsive to the Office Action dated 06/07/2006, made final by the Examiner. The purpose of this Paper is to identify errors in the Office Action which, if overcome, would result in allowance of this Application. No further search is required on the part of the Examiner. Careful consideration of the arguments presented herein is thus respectfully requested.

There are no Amendments to the Specification, Amendments to the Drawings or Amendments to the Claims because none are needed. A listing of the remaining claims in this Application begins on page 2.

Remarks/Arguments begin on page 6 of this Response.
